Northern Counties Society of Osteopaths
www.ncso.org.uk

Dear member,

As the summer rolls on!!!!!! I would like to thank Katie for a great conference this year. For those who didn't attend, there will be a resume of events posted on the web site in due course.

On that note, it would be useful if you could give us some feedback on why you didn't attend. Please take a moment to fill in the tick boxes (you can e-mail them to me or send them back with your meeting letter).

September's meeting will be on the 12th of September at the Cedar Court Hotel in Huddersfield. There is a change of room (because there is a wedding in our usual room), we will be in the Kirkdale suite. It is on the Right as you come into reception.

Lunch is at 1.00 followed at 2.00 with a short demonstration from Andrew at Sissel on strapping followed by a lecture from Simon Browning on 'Thrusting rarely thrust joints'. Simon lectures at the College of Osteopaths and at the BSO. We will need a few couches as this will also be a practical lecture (please let me know if you can bring a couch with you). Simon will also be talking about the NICE guidelines on back pain.

Please send cheques for CPD by the 30th August. Any queries please contact me.

Thanks

Sue Feetham
